

Argentina Educational Summit Preliminary Agenda*
March 21 – 26, 2026

Location: Buenos Aires, Argentina

Hotel: [Four Seasons Hotel Buenos Aires](#)

Target Audience: Senior executives from health plans, hospital systems, employers, service organizations, and physician groups

Educational Summit Objectives:

- Understand the delivery and financing of healthcare in the Argentine system, and compare and contrast with US healthcare funding models
- Participate in site visits to hospitals and primary care facilities, both urban and rural
- Investigate the evolving model for universal healthcare (Nasar/Sumar), and integrations with legacy funding plans
- Learn how regional access to care disparities are addressed in a time of economic uncertainty
- Analyze the state of pharmaceutical, digital health innovation, and AI adaptations that support Argentina’s efforts to provide universal Healthcare
- Network with other healthcare executives from the United States, and enjoy Argentine culture and cuisine
