*Driving healthcare growth through technology, strategy, and innovation*

Mike is a Senior Consultant for The Pharmacy Group (TPG). TPG provides consulting services to healthcare service, information technology, and pharmaceutical companies to grow revenue and improve the financial performance of their products and services.

Mike has over 25 years of experience in healthcare technology and services with expertise in marketing, sales, partnerships, and product management to bring solutions to payers and providers.

He has a proven record of driving growth and market leadership across venture-backed, private, and public organizations, building and leading high-performing teams. Mike has worked across care management, digital health, patient experience, clinical operations, AI/NLP, medical devices, and data analytics.

Most recently, Mike was Chief Growth Officer of Toney Healthcare, a management consulting and clinical operations firm he led through a private equity acquisition. He now serves as an Executive Advisor while advising other companies.

At Health Integrated (acquired by EXL Service), Mike held executive leadership roles in marketing, business development, product management, growth operations, and strategic partnerships. He also held roles at Guidant Corporation (now part of Boston Scientific and Abbott Labs) and as a consultant with Accenture.

Mike holds an MBA from the University of Chicago Booth School of Business and a BSE in biomedical and electrical engineering from Duke University. He is passionate about solving challenges at the intersection of healthcare and technology.
